

Royal Mail Strikes

Please see below further information regarding dates for deliveries for Royal Mail.

Orders are still available for despatch via TNT/FEDEX and APC. We understand that Royal Mail is the most cost-effective option at £5.50, however TNT and APC offer a guaranteed next day (trackable) at £6.95 to avoid delays for your customers.

Royal Mail had put a disclaimer out saying that they have put a contingency plans in place, however they will be expecting a back log on the days following the strike actions.
